Fully serviced lots

as low as
\$1000.00
deposit

For over 50 years, Mike Stokes has recognized value and opportunity where most would not. As a land developer, Mr Stokes has always held an altruistic goal. His desire to build a community will always be his first vision. He has sewed the seeds for busy communities where once only dirt roads existed.

Land Development requires expertise in design, planning, legal, and a gift for numbers. Proper land development means building tomorrow. The return on investment is of paramount importance. Vision and thoughtful land development results in beautiful neighborhoods. Mike Stokes advantage is this vision combined with a strong network of contacts to bring your dream home to reality.
